

OUR VISION

We envision a world where all children can access the benefits of nature-based education and play. We strive to be a catalyst for greater accessibility and systemic change through professional development and educational initiatives that support the needs of teachers, administrators, and decision makers in children's lives. With a robust suite of relevant teacher training and direct service programs that model practices in nature-based education, we are making this vision a reality.

OUR REACH

PROGRAMS

42 PROFESSIONAL DEVELOPMENT

workshops, webinars, and courses offered to schools, child care centers, and outdoor programs across the U.S. and abroad 

9,317 HOURS 

spent outdoors engaged in Notchcliff Nature Programs

1,192 MEMBERS

supported our work

361 TEACHERS joined Nature-Based Teacher Certification, levels 1 & 2

2,500 HOURS

spent outdoors with Forest Days Outdoor Learning Program offered to K-2nd grade students and their teachers in a public, Title 1 school in Philadelphia 

744 TEACHERS

attended online courses 

\$15,000 SCHOLARSHIP AID 

awarded to teachers for training

1,445 TEACHERS

participated in professional development 

SOCIAL MEDIA
